A member of the public enquired when the building of the new village hall was going to start. The Chairman explained the situation with the Funding Agreement with North Norfolk District Council and that they will not release the remainder of the grant until all the funding is in place to complete the project. Most grant funding bodies will not give grants if there is no match funding and the work has already commenced.

A member of the public asked whether the remainder of the Jubilee mugs could be sold by the Fundraising Committee at cost price. This matter will be placed on the next agenda for discussion.

There being no other business the Chairman closed the meeting at 7.10 pm.
